2. No tender will be received after the date and hour abovementioned.

3. Tenders to be superscribed "Tender for the supply of provision" and "tender for the supply of diet" to the District Hospital, Shimoga.

4. No tender will be received unless accompanied by a deposit of Rs. 50 in cash currency notes or treasury receipts.

5. Tenders will be opened by the District Medical Officer on the date and at the hour abovementioned in the presence of such tenderers, as may choose to attend.

6. The rate for each item must be specified in figures, as well as in words, and they must be for a particular kind or brand of the articles, as specified in the list appended hereto. The value of each tender must be worked out according to the rates tendered and the total value must also be entered in words in ink. Tenders not conforming to this rule will be rejected.

7. The quantities stated in the list are not guaranteed.

8. The Senior Surgeon does not bind himself to accept the lowest or any tender or to assign any reason for not accepting any tender.

9. The deposit of the successful tenderer will be retained and will be forfeited to Government, if he fails to complete the contract by executing the necessary agreement and furnishing the required security (to the amount of Rs. 50) within 3 days from the date of his receiving intimation of the acceptance of his tender.

12. The contract must not be sub-let.

13. A fine not exceeding Rs. 50 will be levied by the District Medical Officer for any infringement of terms of the contract or for the supply of inferior articles and the contract itself will be annulled and the security confiscated to Government in the case of continued or frequent violation of the terms of contract, the defaulter being further liable to make good any loss that may result to Government by the annulment. If the contractor thinks that the fine levied in any case is not justifiable, he may appeal to the Senior Surgeon who will have power to fine up to Rs. 100.
